

( ओम पवरगार्ड 1 )

## OM POWERGUARD 1 Phase

**ELCB + MCB + High/Low Voltage  
Cutoff with Delay Start Timer & Auto  
Stop Siren  
One Compact Unit for Complete  
Home Protection**

### Key Features & Benefits

- \* High / Low Voltage Cutoff
- \* Overload Protection
- \* ELCB + MCB Protection
- \* Earthfault Protection
- \* Auto Restart
- \* Delay Start Timer (3 Minutes)
- \* Auto Stop Siren Alarm
- \* Emergency Light Connector

The Power Guard is the ultimate safety solution designed to protect your home, family, and appliances from multiple electrical faults in a single device.

**1 Year Warranty**

**"Like a guardian angel for your electronics, a Shock Guard system protects your devices from the unexpected jolts and jostles of everyday life, allowing you to focus on what really matters."**

### All-in-One Protection

ELCB + MCB + High/Low Voltage Cutoff

Single unit for the whole house – no need for multiple devices

### ELCB Protection (Earth Leakage Circuit Breaker)

Saves lives during fatal electric shocks

Protects against earth leakage and earth faults

### MCB Protection (Miniature Circuit Breaker)

25A ISI-marked MCB for reliable safety

Prevents electric fires caused by short circuits

Ensures the safety of your property

### High Voltage Cutoff

Trips when supply exceeds 275V

Protects appliances from voltage surge damage

### Low Voltage Cutoff

Trips when supply drops below 170V

Prevents damage to sensitive appliances (AC, fridge, etc.)

### Auto Restart

Automatically resumes supply when voltage returns to normal range

### Adjustable Shock Sensitivity

Sensitivity adjustable between 5mA – 30mA

Enhanced safety for users and appliances

### Advanced Auto Bypass Switch

Ensures continuous power with automatic return to safe mode

### Delay Start Timer (3 Minutes)

Extends the life of ACs, refrigerators, and other motor-based appliances

### Auto Stop Siren Alarm

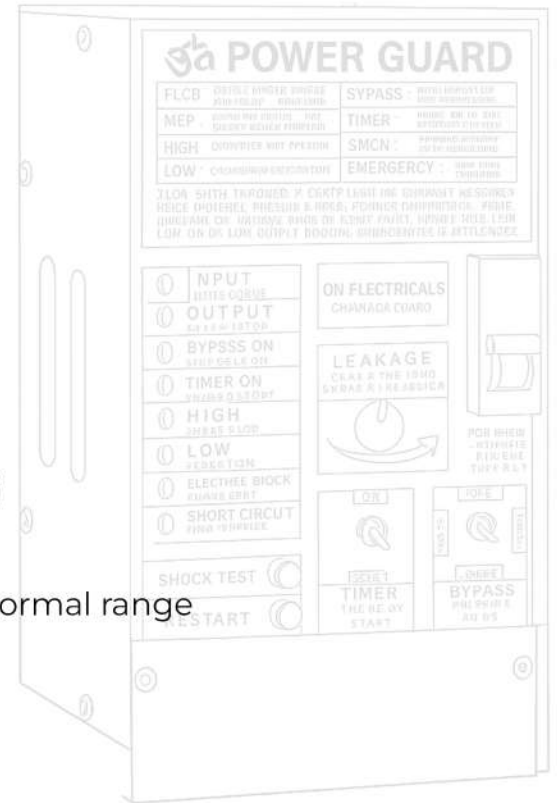

Sounds siren during tripping caused by high, low, or earth fault

Siren stops automatically after 10 seconds

Helps users identify faults (not just a supply failure)

### Emergency Light Connector

Convenient power option during sudden darkness

**1 Year Warranty**
