OM AUTOPUMP

Our **OM AUTOPUMP** water level controller is designed to make your water pump automatic, starting and stopping by itself as per the empty and full level of the tank. The level sensing is done using magnet sensors, which are rust-free, electric shock-free, and free from salt deposition.

1 Year Warranty

- Automatic starting and stopping of the pump
- Protection of the pump from running dry without water..
- Display of on-off-dry status of the pump and empty-full
- level of both upper and lower tanks
- Facility of fully automatic, semi-auto, and manual control
- Water and electricity savings

Magnet Sensor Used to Sense Level Of Water Are Shock Proof, Rust Free And No Possibility Of Salt Deposition On It.

The Most Advance Technology.

Technical Specs:

Body	-	Powder Cotted Steel
Weight	-	0.450
Power Line Suply	-	230 V,50 Hz
Load capacity	-	16 Amp
Power Consumption	-	0.25 Volt
Relay	-	12volt

" Save water, save money,
and save the planet.
Order now and experience
the convenience of
effortless water management."
